

ROCKIES FEST A TO Z

AUTOGRAPHS

All of the Major League players and coaches in attendance are participating in ticketed autograph sessions. Autograph locations are shown on your ticket along with the designated time. Due to space limitations, we ask that fans do not line up early so we do not crowd these areas; as long as you arrive at your designated location by the time printed on your ticket, your autograph is guaranteed. Autograph locations are all on the Suite Level: **Mountain Ranch Bar & Grille (MRBG), Suite 10, Suite 53 and Suite 55.**

BRANDING STATION

Located in the welding shop **across from the Visiting Clubhouse** on the Lower Level, the Branding Station is hosted by C Lazy U Ranch and you can purchase a baseball literally branded with your choice from various logos, numbers and more, with proceeds going to The Colorado Rockies Foundation.

BROADCAST BOOTHS

There are six radio and television booths located on the **Club Level directly behind home plate**, including one Spanish-language radio, one English-language radio and one television booth for each team. During Rockies Fest, the **KOA booth** will be open for fans to stop by and learn what it takes to produce a game on radio, and fans can sit at an AT&T SportsNet TV booth on the **Club Level behind Section 234** to interview players, coaches or TV personalities throughout the event.

CLUBHOUSE

The clubhouse is a home away from home for Rockies players and coaches, and it was fully renovated over the past two seasons, so this is a must-see for all Rockies fans. Fully equipped with a weight room, training room, video room, kitchen, locker room and batting tunnel, several special opportunities will be available to fans during Rockies Fest: **hitting off the tee** like the pros in the batting tunnel (for all ages), **Kids Q&A Sessions** in the Rox Room, **Clubhouse Cooking Demonstrations** by the team chef in the kitchen, and more.

CLUBHOUSE COOKING DEMONSTRATIONS
